Quickly access important information from management centers, and make better decisions using inventory, budget and analysis tools. Get organized and increase productivity with accounting and business management features for 5 licensed, named users.

100-word description

With Sage 50 Complete Accounting 2013 5-User, it's easy to get your growing business under control. The management centers let you see important information at-a-glance, and inventory, budget and analysis tools help you make critical decisions. Sage 50 Complete Accounting also helps you control and secure business data and deter fraud with screen-level security and a clear audit trail, which is important when managing up to 5 licensed, named users. Plus, Sage 50 Complete Accounting comes with Sage Business Care*, an auto-renewing program that provides automatically delivered upgrades, access to customer service, online training, installation support, and more. (*See www.Sage50Accounting.com/disclosures for details.)

Target Market

If you are the owner or manager of a service- or product-oriented small business who needs help keeping up with your growing business and wants access for up to 5 licensed, named users, then Sage 50 Complete Accounting 2013 5-User is for you. Its easy-to-use core accounting features help you manage your business and automate key tasks. In addition, in-depth analysis and customizable reporting capabilities provide insight and intelligence for better decision making—all in one place. And with a no-risk, 60-day money-back guarantee, which promises satisfaction or refund of purchase price less any rebates paid for all first-time customers, Sage 50 Complete Accounting makes it easy to upgrade your accounting system to meet the needs of your growing business.

Sage 50 Complete Accounting 2013 5-User enables fast start-up, check writing, invoicing, purchasing, bank reconciliation, project tracking, in-depth inventory, time and billing, job costing, audit trails, screen-level security, and more. Plus, Sage 50 Complete Accounting comes with Sage Business Care*, an auto-renewing program that provides automatically delivered upgrades, access to customer service, online training, installation support, and more. For improved productivity, Sage 50 Complete Accounting 5-User allows up to 5 licensed, named users to work in Sage 50. In the event you need a more robust solution to handle such needs as company consolidation, serialized inventory, change order processing, and advanced budgeting, please consider Sage 50 Premium Accounting 2013. (*See www.Sage50Accounting.com/disclosures for details.)

Why Choose Sage 50 Complete Accounting 5-User?

Make your business life easier with Sage 50 Complete Accounting 5-User, the solution that adapts to your needs and helps you organize and manage your business. It's designed and delivered by people who understand small businesses and are ready to give you relevant advice and support when and where you need it. Sage 50 Complete Accounting 2013 5-User is an easy-to-use solution that provides access for up to 5 licensed, named users, and comes with Sage Business Care*, so you get robust core accounting and business management features along with service and support you can trust. You will save time and money, and get more done with Sage 50 Complete Accounting 5-User. (*See www.Sage50Accounting.com/disclosures for details.)
