#### 100-word description

You have strategic plans for your construction business. Sage 50 Construction Accounting 2013 5-User provides the core accounting features you need, plus construction-specific businesses tools for 5 licensed, named users. This easy-to-use solution helps track costs and revenue with features such as progress billing, labor burden calculation, subcontractor insurance tracking, and more. Plus, Sage 50 Construction Accounting now comes with Sage Business Care\*, an auto-renewing program that provides access to customer support, automatically

delivered upgrades, online training, installation support, customizable reporting tools, and more. Save time and money, and get more done with Sage 50 Construction Accounting 5-User. (\*See [www.Sage50Accounting.com/disclosures](http://www.Sage50Accounting.com/disclosures) for details.)

## Target Markets

If you are the owner or manager of a growing construction business looking for a premium accounting solution to handle your complex, industry-specific business management needs, then Sage 50 Construction Accounting 2013 5-User is for you. This comprehensive solution combines construction-specific functionality with powerful accounting and analysis tools. And with a no-risk, 60-day money-back guarantee, which promises satisfaction or refund of purchase price less any rebates paid for all first-time customers, Sage 50 Construction Accounting provides the tools you need to achieve your strategic growth objectives.

Sage 50 Construction Accounting 2013 5-User helps you easily handle challenging tasks such as tracking progress billing, calculating labor burden, monitoring insurance expiration dates, and managing retainage payables and receivables for those companies using an accrual based accounting method. Sage 50 Construction Accounting also enables fast start-up, check writing, invoicing, purchasing, bank reconciliation, project tracking, advanced budgeting, the ability to archive company data, custom reports, and more. Plus, Sage 50 Construction Accounting now comes with Sage Business Care\*, an auto-renewing program that provides automatically delivered upgrades, access to customer support, online training, installation support, customizable reporting tools, and more. For improved productivity, Sage 50 Construction Accounting 5-User allows up to 5 licensed, named users to work in Sage 50. (\*See [www.Sage50Accounting.com/disclosures](http://www.Sage50Accounting.com/disclosures) for details.)
