- Focus on key business metrics with at-a-glance dashboards
- Automatically generate purchase orders based on minimum stock levels and re-order quantities
- Manage drop shipments quickly and easily
- Manage complex pricing including quantity price breaks
- Use serialized inventory to track warranty claims, recalls, and more
- Create multiple budgets based on departments and cost centers
- Consolidate multiple companies for financial reporting
- Design and share insightful reports with custom reporting tools
- Reduce errors and deter fraud with screen-level security and a clear audit trail

25-word description

Sage 50 Distribution Accounting 2013 3-User provides all the core accounting features you need, plus powerful distribution-specific business tools for 3 licensed, named users.

50-word description

Sage 50 Distribution Accounting 2013 3-User provides all the core accounting features you need, plus powerful distribution-related business tools for 3 licensed, named users. This easy-to-use solution helps you expertly manage your business with features such as flexible pricing, customer and vendor management, serialized inventory tracking, and more.

100-word description

You have strategic growth plans for your distribution business. Sage 50 Distribution Accounting 2013 3-User provides the core accounting features you need, plus distribution-specific business tools for 3 licensed, named users. This easy-to-use solution helps you expertly manage your business with features such as flexible pricing, customer and vendor management, serialized inventory tracking, advanced drop

shipping, and the ability to buy/sell in multi-quantity units. Plus, Sage 50 Distribution Accounting 3-User now comes with Sage Business Care*, an auto-renewing program that provides automatically delivered upgrades, access to customer support, online training, installation support, customizable reporting tools, and more. (*See www.Sage50Accounting.com/disclosures for details.)

Target Markets

If you are the owner or manager of a growing distribution or wholesaling business looking for a premium accounting solution to handle your complex, industry-specific business management needs, then Sage 50 Distribution Accounting 2013 3-User is for you. This comprehensive solution combines distribution-specific functionality with powerful accounting and analysis tools. And with a no-risk, 60-day money-back guarantee, which promises satisfaction or refund of purchase price less any rebates paid for all first-time customers, Sage 50 Distribution Accounting provides the tools you need to achieve your strategic growth objectives.

Sage 50 Distribution Accounting 2013 3-User helps you easily handle challenging tasks such as complex pricing management, the generation of distribution-specific operational reports, and managing drop shipments quickly and easily. Sage 50 Distribution Accounting 3-User also enables fast start-up, check writing, invoicing, purchasing, bank reconciliation, project tracking, advanced budgeting, the ability to archive company data, and more. Plus, Sage 50 Distribution Accounting 3-User now comes with Sage Business Care*, an auto-renewing program that provides automatically delivered upgrades, access to customer support, online training, installation support, customizable reporting tools, and more. For improved productivity, Sage 50 Distribution Accounting 3-User allows up to 3 licensed, named users to work in Sage 50. (*See www.Sage50Accounting.com/disclosures for details.)

Why Choose Sage 50 Distribution Accounting 3-User?

Make your business life easier with Sage 50 Distribution Accounting 3-User, the solution that adapts to your needs and helps you organize and manage your business. It's designed and delivered by people who understand small businesses and are ready to give you relevant advice and support when and where you need it. Sage 50 Distribution Accounting 2013 is an easy-to-use solution created specifically for your industry that provides access for up to 3 licensed, named users. It also comes with Sage Business Care*, so you get robust core accounting and industry-specific business management features along with service and support you can trust. You will save time and money, and accomplish more every day with Sage 50 Distribution Accounting 3-User. (*See www.Sage50Accounting.com/disclosures for details.)
