- Manage complex pricing including quantity price breaks
- Use serialized inventory to track warranty claims, recalls, and more
- Create multiple budgets based on departments and cost centers
- Consolidate multiple companies for financial reporting
- Design and share insightful reports with custom reporting tools
- Reduce errors and deter fraud with screen-level security and a clear audit trail

#### 25-word description

With Sage 50 Distribution Accounting 2013, you get all the core accounting features you need, plus powerful and flexible tools included especially for distribution-related businesses.

#### 50-word description

You have strategic growth plans for your distribution business. Sage 50 Distribution Accounting 2013 is an easy-to-use solution that helps you manage your day-to-day accounting while providing tools to handle your distribution-specific business management needs. Features include flexible pricing, customer and vendor management, serialized inventory tracking, and more.

#### 100-word description

You have strategic growth plans for your distribution business. With Sage 50 Distribution Accounting 2013, you get the core accounting features you need, plus powerful and flexible tools specific to distribution-related businesses. This easy-to-use solution

helps you expertly manage your business with features such as flexible pricing, customer and vendor management, serialized inventory tracking, advanced drop shipping, and the ability to buy/sell in multi-quantity units. Plus, Sage 50 Distribution Accounting now comes with Sage Business Care\*, an auto-renewing program that provides automatically delivered upgrades, access to customer support, online training, installation support, customizable reporting tools, and more. (\*See [www.Sage50Accounting.com/disclosures](http://www.Sage50Accounting.com/disclosures) for details.)

## Target Markets

If you are the owner or manager of a growing distribution or wholesaling business looking for a premium accounting solution to handle your complex, industry-specific business management needs, then Sage 50 Distribution Accounting 2013 is for you. This comprehensive solution combines distribution-specific functionality with powerful accounting and analysis tools. And with a no-risk, 60-day money-back guarantee, which promises satisfaction or refund of purchase price less any rebates paid for all first-time customers, Sage 50 Distribution Accounting provides the tools you need to achieve your strategic growth objectives.

Sage 50 Distribution Accounting 2013 helps easily handle challenging tasks such as complex pricing management, the generation of distribution-specific operational reports, and managing drop shipments quickly and easily. Sage 50 Distribution Accounting also enables fast start-up, check writing, invoicing, purchasing, bank reconciliation, project tracking, advanced budgeting, the ability to archive company data, and more. Plus, Sage 50 Distribution Accounting now comes with Sage Business Care\*, an auto-renewing program that provides automatically delivered upgrades, access to customer support, online training, installation support, customizable reporting tools, and more. For improved productivity, Sage 50 Distribution Accounting is also available in Multi-User Editions, which allow more than one person to work in Sage 50. (\*See [www.Sage50Accounting.com/disclosures](http://www.Sage50Accounting.com/disclosures) for details.)

## Why Choose Sage 50 Distribution Accounting Solution?

Make your business life easier with Sage 50 Distribution Accounting, the solution that adapts to your needs and helps you organize and manage your business. It's designed and delivered by people who understand small businesses and are ready to give you relevant advice and support when and where you need it. Sage 50 Distribution Accounting 2013 is an easy-to-use solution created specifically for your industry. It also comes with Sage Business Care\*, so you get robust core accounting and industry-specific business management features along with service and support you can trust. You will save time and money, and accomplish more every day with Sage 50 Distribution Accounting. (\*See [www.Sage50Accounting.com/disclosures](http://www.Sage50Accounting.com/disclosures) for details.)
