Target Market

If you are the owner of a newly-formed or developing small business who needs to organize your financial information, Sage 50 First Accounting 2013 is for you.

Its easy-to-use screens and multiple Help options make it ideal if you are looking to automate your financial records for the first time or are converting from personal finance software. And with a no-risk, 60-day money-back guarantee, which promises satisfaction or refund of purchase price less any rebates paid for all first-time customers, Sage 50 First Accounting makes it easy to organize and manage your business—all in one place.

Sage 50 First Accounting 2013 enables fast start-up, check writing, invoicing, purchasing, bank reconciliation, item tracking, 35+ customizable business reports and financial statements, and more. In the event you need a more advanced solution to handle such needs as employee management, inventory, and comparative budgeting, please consider Sage 50 Pro Accounting 2013.

Why Choose Sage 50 First Accounting?

Running a small business is hard work. When all of your business information is in one place, it's easier to succeed. Sage 50 First Accounting 2013 is that one place. Easy to start and easy to use, it's ideal for small businesses that want to improve efficiency, protect their information, and get organized. Sage 50 First Accounting lets you quickly and easily accomplish tasks, so you can focus on what's important to your business.
