Sage 50 Premium Accounting 2013

Achieve More Every Day

At Sage, we want to make it easier for you to reach your goals and achieve your ambitions. That's why we designed Sage 50 Premium Accounting 2013. With Sage 50, you become more efficient and productive. With the time you save, you can focus on where your expanding business is going—and leave the everyday details to us.

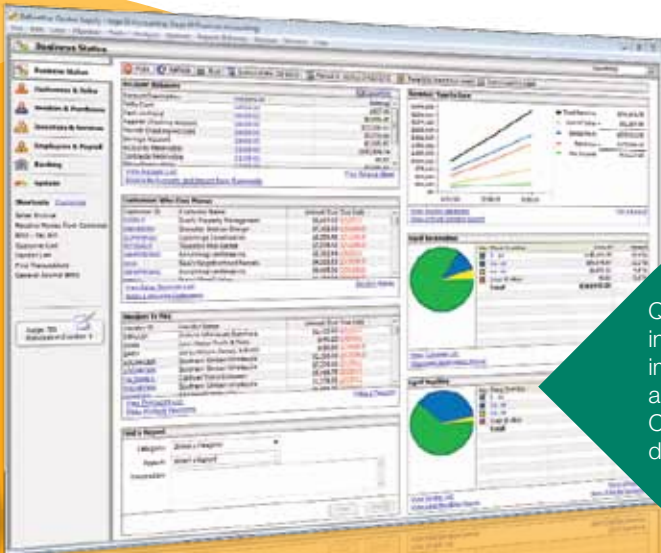

- Know exactly where your business stands with a customized view of key business metrics such as account balances, quarterly revenue, outstanding receivables, or whatever is most important to you.
- Save money, become more profitable, and even increase customer satisfaction with tools that help you gain control over inventory, job costs, and estimates and invoicing.
- Easily plan out “what if” scenarios using the customizable reporting tools in our Sage 50 Business Intelligence¹ solution and your real-time Sage 50 data.

Here's What Sage 50 Offers

Accounting tools to get the job done

Sage 50 Premium Accounting is easy to use and comes with screen-level security and automatic accounting checks that give you confidence in the integrity of your information. Plus, it's installed on computers that you control locally.

- Invoice customers by mail or email
- Monitor cash flow to meet current and upcoming obligations
- Manage inventory using a variety of methods
- Control job revenue and expenses at the phase and cost code level

Quickly find all the information that's important to you from a central location. Customize and sort the data to suit your needs.

WE SUPPORT YOUR BUSINESS LIKE NO ONE ELSE

Sage wraps our solutions with Sage Business Care², an auto renewing service plan that provides ongoing service and support you can trust, while reducing the time, effort, and cost of operating your business.

- Keep your business running smoothly with unlimited³ access to customer support for your Sage 50 solution.
- Stay up to date on the latest features with upgrades and updates for as long as you are enrolled in Sage Business Care.
- Make confident decisions with Sage 50 Business Intelligence, a custom reporting and analysis tool that uses the familiar interface of Microsoft[®] Excel[®] and real-time Sage 50 data.
- Get discounts on credit card processing, including mobile payments, with Sage Payment Solutions.⁴ No setup fees, no integration fees, and no cancellation fee.
- And more!

Powerful inventory management

With Sage 50, you can quickly close a deal because you know what you have on hand. Or save money because you don't over order. If inventory is part of your business, you can count on Sage 50 to have your back.

- Track inventory on user-defined attributes (color, size, style)
- Reserve inventory requested on purchase orders and sales orders
- Automatically replenish inventory at user-defined levels
- Use serialized inventory to track warranty claims and recalls

Greater insight for strategic planning

Get the vital information you need to stay in control and plan ahead. The Sage 50 Business Intelligence¹ solution lets you generate customized reports in the tool you already use—Microsoft Excel.

- Built-in templates for sales, purchasing, inventory, and financial reporting
- Consolidate information from multiple Sage 50 companies or other databases
- Reports are always up to date with the latest data—no export or manipulation required
